This Budget Letter reminds State departments of the year-end financial reporting deadlines for the fiscal year 2001-02.

YEAR-END FINANCIAL REPORTING DEADLINES

Departments must submit the appropriate 2001-02 year-end reports to the State Controller's Office (SCO) and the State Treasurer's Office according to the following schedule:

July 31, 2002

- **General Fund**
- **Feeder funds** (0081, 0084, 0085, 0086, 0088 through 0091, 0094, 0095, and 0097)
- **Economic uncertainty funds** (0374, 0375, and 0377)

August 20, 2002

- **All other funds**

Government Code Section 12461.2 authorizes the State Controller to withhold any or all operating funds from a department if that department fails to submit complete and accurate financial reports, as required in the State Administrative Manual (SAM), to the State Controller within twenty days from the above due dates. Therefore, departments should carefully plan to meet year-end reporting deadlines.

To assist with this process, departments are reminded that a year-end work plan is a necessary tool to plan and monitor financial reporting activities and ensure the timely completion of the reports. The SAM Section 7950 discusses some of the steps that should be included in the year-end work plan. Requirements for financial reports included in SAM Sections 7900 et seq. should be reviewed early in the year-end process in order to minimize problems.

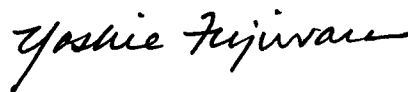

The Department of Finance (Finance), California State Accounting and Reporting System (CALSTARS) training unit will offer year-end training classes for CALSTARS departmental accounting staff who are involved in financial statement preparation. CALSTARS Operations Memo 02-03 announced this year's training schedule, which is available on the CALSTARS website at: <http://www.dof.ca.gov/html/calstars/calsdocs/other/TrainingCalendar.pdf>. Other year-end resources include Volume 7 of the CALSTARS Procedures Manual at: <http://www.dof.ca.gov/html/calstars/cpm.htm> and a report checklist at:

<http://www.dof.ca.gov/html/calstars/optools.htm>. Assistance is also available from the CALSTARS Hotline at (916) 327-0100, CALNET 467-0100, or e-mail hotline@dof.ca.gov.

If you have questions concerning year-end requirements or accounting policies, please contact Finance, Fiscal Systems and Consulting Unit at (916) 324-0385, CALNET 454-0385, or e-mail fscuhotline@dof.ca.gov.

Preparation of Past Year Budget Documents

Past year expenditure and revenue amounts posted on budget documents must reconcile with amounts reflected in year-end financial reports submitted to the SCO. For the General Fund, Finance compares amounts on budget documents to SCO data from year-end reports and asks departments to explain major differences. For all other funds, Finance designates an administering organization. This administering organization prepares the Governor's Budget Fund Condition Statement and must reconcile differences between the SCO Annual Report and the Governor's Budget. Departments must provide a written explanation of differences to their Finance budget analyst and to the SCO, Division of Accounting and Reporting.
